CREATE YOUR OWN

POINT OF CARE PACKAGE

Meet your needs with our flexible POC package

Create your own POC package in 3 easy steps

1 Order POC Package Item # PT03400 and choose two-to-four POC items from the list below

Fecal Occult Blood (OC)

Hemoglobin - HemoCue Hb 301 & Hb 801 waived (HWH)

Glucose Whole Blood (WBG)

Mono Immunoserology - waived (MW)

Group A Strep Antigen - waived methods (WS)

Provider Performed Microscopy (PM)

Hematocrit - waived methods (HW)

Urinalysis/Urine hCG (UR)

Hemoglobin - waived methods (HWG)

2 Need more than four? Order Item # PT03401 and select additional products needed

3 Calculate your price based on total number of Point of Care (POC) products ordered
